Personal Summery

Hello, Sir/Ma'am,

My name is Vikas Chourasiya, I graduated with BCA from ICFAI University Jaipur, Rajasthan, and completed my CCNA & CEHv11 (Certified Ethical Hacking) training from SYSAP Technologies Pune, Maharashtra and currently my CHFIv10 (Computer Hacking Forensic Investigator) training is going on. And I'll do my summer training Internship in Machine Learning and Artificial Intelligence. During training & Internship, I have been learned many skills like Python, System Hacking, Web Application Testing, Monitoring Network or System and Implementation, Network Security, Network Configuration (LAN, WAN, Servers - DHCP, NTP, NAT, Radius,), Data Visualization, and Data Analytics, MySQL. Coming to Projects during the Internship I have to build a Personal Voice Assistant and in CCNA I have to configure a Network according to specific conditions.

And in my free time, I love to watch web series or movies.
